

Trenton Michael Cather

November 8, 2004 - March 24, 2021

Trenton "Trent" Michael Cather, born November 8, 2004, fell asleep in Jesus' arms on March 24, 2021 at the age of 16.

Trent is survived by his loving parents, Geneva Ellegant and Stanley Cather; beloved sister, Tavianna Ellegant; brother, Terrace Cather; cherished grandparents, Pat and Herb Adams, Acie and Lehn Angel, Julie and Curtis Eliis; and numerous aunts, uncles, and cousins, who all loved him dearly. He is preceded in death by his grandfather, George Cather, and grandmother, Marilyn Angel.

Trent aspired to join the U.S. Air Force and to become a heart surgeon. He recently was attending Theodore High School. When you couldn't find Trent cooking in the kitchen making a fantastic meal like ratatouille, you could find him fine tuning his woodworking skills or assisting his mom with sewing, which he was also very talented with. He loved antiques, cars, his family, animals, and would help anyone he came across. He was loved by all who knew him and will be deeply missed.

In lieu of flowers, hug your family, call your friends, and don't let those around you suffer in silence. Everyone is loved by someone.

Visitation will be held March 30, 2021 at 3 PM at Serenity Funeral Home, followed by a memorial service at 4.

“ Happy Birthday to the boy that was in my life since day one I will never forget the trips to Alabama and just getting there and staying there for the 4th of July it was one of favorite things to do during the summer it was the most wonderful feeling just him being around and I know that I didn't see him everyday, but he is always my brother even tho we weren't even born by the same people I looked at him as a brother, a role model, and most importantly a best friend and I loved that boy with all my heart and I miss him so much it hurts when people talk to me like I don't have feeling at school when I do and a lot has happened and I just want to know that he's okay I want a sign that he's okay and being happy.

We All Love You Trent

“ I remember when y'all lived across from the tracks (me and tavi was in middle school) Trent had a crush on me. He had a crush on all of tavis friends 🤔 he went to the front porch and drew in sidewalk chalk me and him holding hands. Then I look wayyyyy over on the other side of the porch was a stick figure of tavi. No matter what he was the most energetic kid. And if he wasn't wrestling with Stan,,,he was following me and tavi around. And ALWAYS comparing how he was as almost as tall as me.

“ Lexi wants to share the memory of when you all moved to Alabama. Trent gave her his Spider-Man right before the move. She has slept with it every night since that day. She loves it and would even hold it when they played Minecraft online together. She loves and misses him... we all do.

“ I'm sorry this is a little late but, Rest Easy my friend. When I return from Utah after a couple years I had my name slurred so many ways and I wasn't there to defend myself, Trent was the only one that set all those rumors aside and didn't care about it all. I had to build back all I had lost over the years and Trent.....U couldn't have done it without you man. Rest easy my guy

“ Trent was the sweetest and most helpful young man. He walked home with me and my kids on several occasions and helped me catch my cat when he ran away. My kids loves him and he was always enthusiastic and attentive when my kids talked to him and my step son Cloud would always run up and high five him. He was always polite and would walk us all the way home and go back to his house.

“ I remember he used to call me every day and he was so happy to tell me about his day. He would always tell me how much his family meant to him. I remember the day we had a deep conversation about life and he brought up the subject about marriage and he said in two years I would be his wife and that he couldn't wait to meet me. He would talk about it everyday and said that I had made him the happiest he had been in a while. I loved seeing him have a smile on his face. He told me what he wanted to be when he got older and that's when we clicked and had a huge bond because I wanted to do the same thing, we had so much in common. That was one thing he loved about us is we had a lot in common. He would always tell me story's about when he was younger before he moved to Alabama and how much his mom and dad meant to him. He loved his brother and sister so much and he didn't know what he would do without them, his family and friends were the most important part of his life. I remember falling asleep on the phone with him every night and waking up to him and making him smile, seeing him smile made me the most happiest person in the world. I have more memories but it would take hours to write them out. I miss you Trent Rest easy baby

“ I remember when he took me on the 4-wheeler for the first time. He loved it, and I did too. Me and him have a lot of good memories. I even remember when he met my siblings. He loved them as if they were his family. And I'll never forget how amazing he treated them.
